

# Club Fitting Packages

The following are packages and pricing available to members of Riverview Golf & Country Club. (Non-member pricing \$15 extra per service)

Package	Description	Price
<b>Full Set Fitting</b>	Full set fitting includes driver fitting, fairway or hybrids, irons and wedges. Using Flightscope technology, the fitting measures the launch angle, clubhead speed, spin rate, angle of approach, ball speed and smash factor with every club and shot. *Fitting will last 60-90 minutes and expect to hit between 80-100 golf balls.	<b>\$119</b> (\$35 waived with club purchase)
<b>Driver Fitting</b>	Driver fitting uses Flightscope technology to measure the launch angle, spin rate and ball speed to fit drivers. *Fitting will last 45 minutes and expect to hit between 60-80 golf balls.	<b>\$59</b> (\$20 waived with club purchase)
<b>Fairway Wood/Hybrid Fitting</b>	Fairway woods and hybrid fitting uses Flightscope technology to measure launch angle, spin rate and ball speed to fit fairway woods and hybrids. *Fitting will last 45 minutes and expect to hit between 60-80 golf balls.	<b>\$59</b> (\$20 waived with club purchase)
<b>Iron Fitting</b>	Iron fitting includes a complete dynamic fit measuring length, lie, shaft flex & type, make & model, set make up, and grip. Riverview utilizes interchangeable components to determine the optimal specifications for each individual. *Fitting will last 45-60 minutes and expect to hit between 50-80 golf balls.	<b>\$75</b> (\$20 waived with club purchase)
<b>Wedge Fitting</b>	The wedge fitting includes a complete dynamic fitting for proper yardages, gaps, launch angles, spin rates, club length, lie, loft, shaft, and grip. *Fitting will last 45 minutes and expect to hit between 40-75 golf balls.	<b>\$59</b> (\$20 waived with club purchase)
